

This map illustrates the Kootenai River watershed, highlighting various land use designations and geographical features. Key elements include:

- Parks:** TITETOWN PARK and KOLUSKON BAKE PARK are marked with green shaded areas.
- Towns and Settlements:** Several towns are indicated by orange and brown rectangular shapes, including TITETOWN, KOLUSKON, and CASCADIA.
- TSA Areas:** Three Town Ship Areas (TSAs) are labeled: George TSA, Quesnel TSA, and Cascadia TSA, each outlined in orange.
- Water Features:** The Kootenai River and its tributaries are shown in blue, with numerous smaller lakes and ponds scattered throughout the watershed.
- Land Use Patterns:** The map uses various colors and patterns to denote different land uses, including green for parks, orange/brown for towns, and yellow/orange for other land designations.
- Geographical Features:** The map shows the Kootenai River flowing through the watershed, with various islands and peninsulas.
